# Your 2024 Benefits Guide

The Dealer Tire Family of Companies offers a competitive and comprehensive benefits program to recognize how important you are to the company. This benefits guide summarizes our program in a quick and easy-to-understand way. Please review your plan documents at [www.dtfamilybenefits.com](http://www.dtfamilybenefits.com) for more details.

## New Hire Enrollment

Welcome to our team! As a new associate, you could be eligible for coverage as soon as the first of the month following date of hire. You must enroll in benefits within 30 days of your date of hire.

## Annual Open Enrollment

Annual open enrollment is your yearly opportunity to review your current benefits and make changes for the upcoming plan year. During annual enrollment, you can add, change, or decline coverage. You can also add and/or drop family members for coverage during this time.

This year's annual enrollment will take place October 30 - November 10, 2023.

## Changing Your Benefits Mid-Year

Once you make your elections, you will not be able to make changes until next year's annual enrollment unless you experience a qualifying life event. Examples of qualifying events include the following.

- Change of legal marital status (e.g., marriage, divorce, death of spouse, legal separation)
- Change in number of dependents (e.g., birth, adoption, death of dependent, ineligibility due to age)
- Change in employment or job status

You must make changes to your benefits within 30 days of your qualifying life event. If you do not make changes during this time, you may have to wait until next year's annual enrollment to make your change.

If your coverage was effective in the past, you will be charged for benefit changes retroactively in your next paycheck.

## Benefits Eligibility

### Covering Yourself

Full-time associates who are actively working a minimum of 30 hours per week are eligible for coverage.

### Covering Your Family Members

Eligible dependents generally include your legally married spouse and children up to age 26. Some age limitations may apply to specific insurance programs. Children may include natural, adopted, step-children, or children obtained through court-appointed legal guardianship.

### Eligibility Documentation

Please be prepared to share dependent eligibility information during enrollment including date of birth and Social Security Numbers. Other documentation may be required depending on your elections.

**Reminder: Always verify you have eligible dependents enrolled on your benefits. In some cases, employees are not even aware they are carrying ineligible dependents. Keeping the right people on our plans will allow us to keep benefit costs low for everyone!**

**All current elections will rollover unless you make an active change. However, if you want to enroll in an FSA, HSA, or make changes to your benefit elections for 2024—COMPLETE OPEN ENROLLMENT**

# Medical and Prescription Drugs

The Dealer Tire Family of Companies partners with Aetna to offer medical and prescription drug insurance.

## Plan Highlights

You have the option of choosing one of four plans through Aetna. Our plans offer coverage for most healthcare services. When you receive care in-network you benefit from our negotiated discounts with Aetna.

## Aetna Member Site

Visit [www.aetna.com](https://www.aetna.com) or download the Aetna App to take advantage of all the helpful tools and resources available including the following:

- In-network provider and pharmacy searches
- A list of prescription drugs covered by our plans

### What is a Network?

A network is a group of providers your plan contracts with at discounted rates. You will almost always pay less when you receive care in-network.

If you choose to see an out-of-network provider, you may be balance billed, which means you will be responsible for charges above Aetna's reimbursement amount.

Your plan network is the Aetna Choice POS II (Open Access) Network.

### Important Insurance Terms

- **Deductible:** the amount of money you are responsible for paying up-front before your plan shares your costs
- **Coinsurance:** the percentage you and the plan pay; in our plans, you pay a smaller percentage and the plan pays a larger percentage
- **Copay:** a fixed amount for certain services you pay in some of our plans
- **Out-of-pocket maximum:** the limit on your expenses; once you reach this limit, the plan covers all eligible expenses for the remainder of the plan year
- **Formulary:** List of prescription drugs covered by your plan. Your Aetna plans access the Aetna Standard Open Formulary listing.

We offer two types of FSA programs through iSolved Benefit Services. FSA elections do not rollover from year to year. An election will need to be made each year during Open Enrollment.

## Healthcare FSA

If any funds remain in your Healthcare FSA at the end of the current plan year, you can carry over up to \$610 into the next year. Your carry over balance can be used at any time for expenses incurred in the new plan year (in addition to the elected payroll deductions).

Funds you elect to contribute to the healthcare FSA are available in full on the first day of the plan year. For example, if you elect to contribute \$1,000, the full election is available to you on day one. You'll continue to pay for the election pre-tax from your paycheck throughout the plan year.

## Dependent Care FSA

The dependent care FSA lets you set aside pre-tax dollars to use toward qualified dependent care. The maximum amount you may contribute to the dependent care FSA is \$5,000 (or \$2,500 if married and filing separately) per plan year. Your FSA funds via your payroll contributions. FSA funds are only available once they are deducted from your paycheck and credited to your FSA account.

Dependent Care FSA contributions may be subject to change based on required annual IRS non-discrimination testing.

# Use It or Lose It

Carefully consider your FSA contribution amounts for the plan year. At the end of the year, you may lose some unused dollars. Your plan has a rollover provision in place. This means, you can rollover up to \$610 to be used in next plan year. This rollover amount is in addition to the annual maximum.

# Hospital Indemnity Plan

It’s scary enough being admitted into the hospital, so why worry about whether you’ll be able to cover unexpected expenses? Hospital indemnity insurance is a supplemental insurance plan designed to pay for the costs of a hospital admission that may or may not be covered by your insurance. The plan covers associates and their family members (based on enrollment) who are admitted to a hospital or ICU for a covered sickness or injury.

# Critical Illness Coverage

There are a lot of expenses associated with a critical illness and a major medical plan usually won't cover them all. Critical Illness coverage helps you focus on recuperation instead of being distracted by the extra expenses you may be facing. Similar to life insurance which pays your beneficiary a lump-sum benefit upon death, a critical illness plan pays you a cash benefit upon a diagnosis of a covered illness. Covered diagnoses include but are not limited to the following.

- Cancer

- Heart attack
- Stroke

## IMPORTANT NOTICE

**This packet of notices related to our health care plan includes a notice regarding how the plan's prescription drug coverage compares to Medicare Part D. If you or a covered family member is also enrolled in Medicare Parts A or B, but not Part D, you should read the Medicare Part D notice carefully. It is titled, "Important Notice From Chromalox, Inc. About Your Prescription Drug Coverage and Medicare."**

### **Notice of Availability of the Dealer Tire Employee Benefit Plan Notice of Privacy Practices –**

THIS NOTICE DESCRIBES HOW YOU MAY OBTAIN A COPY OF THE PLAN'S NOTICE OF PRIVACY PRACTICES, WHICH DESCRIBES THE WAYS THAT THE PLAN USES AND DISCLOSES YOUR PROTECTED HEALTH INFORMATION. The Dealer Tire Employee Benefit Plan (the "Plan") provides health benefits to eligible employees of Dealer Tire, (the "Company") and their eligible dependents as described in the summary plan description(s) for the Plan. The Plan creates, receives, uses, maintains and discloses health information about participating employees and dependents in the course of providing these health benefits. The Plan is required by law to provide notice to participants of the Plan's duties and privacy practices with respect to covered individuals' protected health information, and has done so by providing to Plan participants a Notice of Privacy Practices, which describes the ways that the Plan uses and discloses protected health information.

To receive a copy of the Plan's Notice of Privacy Practices you should contact The Benefits Hotline 800-933-2537 (ext.6123) [benefithotline@dealertire.com](mailto:benefithotline@dealertire.com), who has been designated as the Plan's contact person for all issues regarding the Plan's privacy practices and covered individuals' privacy rights.

### **Newborns' and Mothers' Health Protection Act**

Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a caesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

### **Section 125 Information**

This plan is available if an Associate opts to enroll in the health plan. A Section 125 Premium Pass Through Plan is a valuable benefit that offers Associates the opportunity to save tax dollars. Associates may choose this option when they enroll in the health plan. Associate contributions to the health plan will be deducted from their paycheck on a pre-tax basis unless they choose otherwise at enrollment. By electing pre-tax coverage in the health plan, Associates give Dealer Tire permission to deduct their premium contribution before tax. Once enrolled, changes can be made only on the plan's anniversary date (January 1) or as a result of a qualifying event. **In the event of a contradiction between the information in this Handbook and the Section 125 Premium Pass Through Plan Document, the Plan Document controls.**

### **Health-Contingent Wellness Program Model Reasonable Alternative Standard Notice**

Your health plan is committed to helping you achieve your best health. Rewards for participating in a wellness program are available to all employees. If you think you might be unable to meet a standard for a reward under this wellness program, you might qualify for an opportunity to earn the same reward by different means. Contact the Benefits Team and we will work with you (and, if you wish, with your doctor) to find a wellness program with the same reward that is right for you in light of your health status.

### **IMPORTANT NOTICE FROM DEALER TIRE, LLC ABOUT- YOUR PRESCRIPTION DRUG COVERAGE AND MEDICARE**

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Dealer Tire, LLC and about your options under Medicare's prescription drug coverage. This information can help you decide whether you want to join a Medicare drug plan. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice. If neither you nor any of your covered dependents are eligible for or have Medicare, this notice does not apply to you or your dependents, as the case may be. However, you should still keep a copy of this notice in the event you or a dependent should qualify for coverage under Medicare in the future. Please note, however, that later notices might supersede this notice.

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Dealer Tire, LLC has determined that the prescription drug coverage offered by the Dealer Tire, LLC Employee Health Care Plan ("Plan") is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is considered "creditable" prescription drug coverage. This is important for the reasons described below.

Because your existing coverage is, on average, at least as good as standard Medicare prescription drug coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to enroll in a Medicare drug plan, as long as you later enroll within specific time periods.

### **Enrolling in Medicare—General Rules**

As some background, you can join a Medicare drug plan when you first become eligible for Medicare. If you qualify for Medicare due to age, you may enroll in a Medicare drug plan during a seven-month initial enrollment period. That period begins three months prior to your 65th birthday, includes the month you turn 65, and continues for the ensuing three months. If you qualify for Medicare due to disability or end-stage renal disease, your initial Medicare Part D enrollment period depends on the date your disability or treatment began. For more information you should contact Medicare at the telephone number or web address listed below.

### **Late Enrollment and the Late Enrollment Penalty**

If you decide to wait to enroll in a Medicare drug plan you may enroll later, during Medicare Part D's annual enrollment period, which runs each year from October 15 through December 7. But as a general rule, if you delay your enrollment in Medicare Part D, after first becoming eligible to enroll, you may have to pay a higher premium (a penalty). If after your initial Medicare Part D enrollment period you go 63 continuous days or longer without "creditable" prescription drug coverage (that is, prescription drug coverage that's at least as good as Medicare's prescription drug coverage), your monthly Part D premium may go up by at least 1 percent of the premium you would have paid had you enrolled timely, for every month that you did not have creditable coverage.

**Coordinating Other Coverage With Medicare Part D**

Generally speaking, if you decide to join a Medicare drug plan while covered under the Dealer Tire, LLC Plan due to your employment (or someone else's employment, such as a spouse or parent), your coverage under the Dealer Tire, LLC Plan will not be affected. For most persons covered under the Plan, the Plan will pay prescription drug benefits first, and Medicare will determine its payments second. For more information about this issue of what program pays first and what program pays second, see the Plan's summary plan description or contact Medicare at the telephone number or web address listed below. If you do decide to join a Medicare drug plan and drop your Dealer Tire, LLC prescription drug coverage, be aware that you and your dependents may not be able to get this coverage back. To regain coverage you would have to re-enroll in the Plan, pursuant to the Plan's eligibility and enrollment rules. You should review the Plan's summary plan description to determine if and when you are allowed to add coverage. For More Information About This Notice or Your Current Prescription Drug Coverage...

Contact the person listed below for further information, or call 2164327401. NOTE: You'll get this notice each year.

You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Dealer Tire, LLC changes. You also may request a copy.

**For More Information About Your Options Under Medicare Prescription Drug Coverage...**

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit [www.medicare.gov](http://www.medicare.gov).
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help,
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at [www.socialsecurity.gov](http://www.socialsecurity.gov), or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and whether or not you are required to pay a higher premium (a penalty).
