

# Meet Maven, your free 24/7 support team

Maven provides 24/7 virtual care for Aetna members and their partners at no cost through your insurance benefits for fertility and family building such as IVF, IUI, egg-freezing; adoption and surrogacy; pregnancy and 3 months of postpartum. You can use Maven to book unlimited coaching and educational video appointments with providers including OB-GYNs, mental health specialists, and sleep coaches, and more.

## With your free membership you can access:

- ✓ **A dedicated Care Advocate** who will help you navigate your benefits and pair you with a team of providers and coaches based on your needs
- ✓ **24/7 virtual care support** from providers across 30+ specialties, including OB-GYNs, nutritionists, pediatricians, and more
- ✓ **Live and on-demand classes** led by Maven providers and coaches covering everything from infant CPR to stress management and prenatal yoga
- ✓ **Personalized, trustworthy content** tailored to your journey
