STEP 02
You will create your account using your personal email. You will then need to confirm your eligibility by providing details such as:

- First name (please use the legal name your employer or health plan has on file)
- Last name
- Date of birth (MM-DD-YYYY)

Meet your dedicated Care Team

We're here to support you for anything you need. On Maven, you'll get healthcare the way it should be.

Skye
Your Maven Care Advocate
Your personal healthcare concierge

Ellen Winters Miller
Surrogacy Coach

Bette Galen
Egg Donor Consultant

STEP 05
Once you are registered, schedule your introduction appointment with your Care Advocate. You can meet or message with them for support, to discuss your family-building goals and ask any questions. They can help you navigate Maven, will assign a team of providers, and share resources that are relevant for your journey.

Who provides your free Maven membership?
(It's usually an employer or health plan)

My employer or health plan

A partner, parent, or someone else

None of the above

STEP 03
The next section asks who is providing your free Maven membership.

STEP 6
Once signed up, you'll have the option to download the Maven Clinic app to your iOS or Android device for future use. If your partner would like to use Maven, they will need to sign up using your information to validate their own membership.

If you have any questions or issues enrolling, please contact the Maven Care Team at support@mavenclinic.com
