

# Make informed medical decisions with confidence

Teladoc Medical Experts

When you get a challenging diagnosis, it can be hard to know what to do next. If you have questions or doubts about a diagnosis, treatment or the need for surgery, Teladoc's<sup>‡</sup> world-renowned medical experts can help.

## Contact Teladoc Medical Experts when you:

- Are unsure about a diagnosis or need help deciding on a treatment option
- Would like an expert opinion related to surgery, such as an assessment of surgical options and if in fact surgery is needed
- Have medical questions or concerns and want a leading expert's advice
- Would like an expert's second opinion on your condition
- Would like to access international expertise for your condition
- Need assistance navigating the Canadian healthcare system

Get your diagnosis double-checked by an expert.  
It could change your life.
